

The State of Michigan Mask Mandate has Ended.

Livingston County Catholic Charities is following the recommended guidance of the Center for Disease Control and the Federal Occupational Safety & Health Administration.

Masks are RECOMMENDED by the Center for Disease Control and the Occupational Safety & Health Administration for all persons who are unvaccinated and who have at-risk health conditions.

Masks are no longer recommended for persons who are fully vaccinated.

If you need a mask and do not have one, we will provide one to you.

If you have traveled outside of the country, have a temperature above 100.5, have been exposed to someone who has tested positive for COVID-19 or who has possible COVID-19 symptoms, then please do not enter and we will reschedule your appointment.

THANK YOU
