Driven by faith, HERE FOR ALL!

In the Elder Abuse Recovery Support Group participants are safe from judgement and embarrassment. They are encouraged to share their experience and learn from others. LCCC's experienced Prevention of Elder Abuse, Neglect and Exploitation (PEANE) team will also assist participants to find resources within our community.

- Abuse is harm or threatened harm to an adult's health or welfare caused by another person.
- Neglect is the inability or failure of the adult, or an individual responsible for the care of the elder or vulnerable adult, to provide adequate food, shelter, clothing, medical care, etc.
- Exploitation is the misuse of an adult's funds, property or personal dignity by another person.

Masks are required and we will be practicing social distancing while together.
