

# Supporting Our Veterans and Caregivers:

## Crisis Management & Available Resources

**Friday September 9, 2022**

**Registration at 8:30 AM  
Program from 9:00 AM to 2:00 PM**

**Veteran Services  
1420 Lawson Dr., Howell**

***Light refreshments provided***

The Social Work Program from Veterans Affairs in Ann Arbor, Veteran Services in Livingston County, together with Livingston County Catholic Charities Prevention of Elder Abuse, Neglect, Exploitation are collaborating to bring an informational and educational program on suicide awareness and prevention.

Information on the continual increase in suicides in people 60 and above and the higher number of Veteran suicides compared to the civilian population will be explored through statistics and what red flags to look for. Educational information and resources on how to keep a person's environment safe with the Veteran's Association program Lethal Means Safety will be provided. You will learn what warning signs to look for, especially those signs that need immediate attention.

**Register at:**

**<https://VeteransandCaregivers.eventbrite.com>**

In lieu of charging for registration, a donation of a shelf stable item that can be donated to the Hunger Council of Livingston County can be brought the morning of the program.
