Efforts are always made to not turn participants away.

In order for financial assistance to be considered, please provide evidence of need with your registration to our office. An IRS tax income statement is recommended.

You will be sent a scholarship form to fill out.

Our transportation list will still be due to LETS two weeks prior to the activity.

Due to our agreement with LETS transportation, any participants adding an activity less than two weeks prior to the activity date will need to make arrangements for their own transportation both to and from the event. After discussing things over with LETS they would prefer YOU cancel your own ride using the app if you have access to it.

Please Note:

We will not be able to allow Participants to participate in events without a filled out Registration form. We must also have updated information forms, Photo Release forms and all policies and procedures forms signed and dated yearly.

If you choose to bring your registration form with you instead of mailing it in, PLEASE take a picture and email or text it to BROOK within one week of the first event you plan on attending. If you need transportation for the event, you MUST let Brook know NO later than two weeks before the event.
