OUR MISSION

The Mission of Livingston County Catholic Charities is the work of the Catholic Church, to share the love of Christ by performing the corporal and spiritual works of mercy.

VISION STATEMENT

Livingston County Catholic Charities aims to provide human services to Livingston County residents regardless of race, sex, religion, age, disability or financial ability.

Reflections...

Livingston County Catholic Charities is so excited to have been blessed with a future home at 2895 W. Grand River Ave., Howell, MI 48843. Since 1985 (the year the agency was founded), we have been renting a space in order to offer spiritual and corporal works of mercy to those in our community. We were able to purchase the new building from LACASA in April for \$1,500,000. Renovation of the space will start this summer and we will move in by June of 2025. The renovation is budgeted at \$1,200,000, which will be financed by a mortgage. The new space will allow us to expand our services and modify the space when necessary to meet the needs of our community.

Our current space is in three separate buildings with approximately 12,150 sq. ft. and we will be expanding to 14,276 sq. ft., under one roof, with an additional 3,000 sq. ft. in basement storage and offices. Planned additions include a chapel, more therapy rooms, an expanded Be Our Guest Adult Day program, a fire safety system, green space behind the building, a newly renovated parking lot, and additional office spaces for future program growth. The basement and hallway storage will help optimize office and conference room spaces. We also look forward to featuring a saints' series throughout the building to celebrate our Catholic faith and honor those who have served throughout the church's history.

Thank you to the Board of Directors, our Occupancy Committee, Griffith Realty, and all the staff and community members who have assisted and will continue to assist through this time of transition to our new space. We are also deeply grateful to the Diocese of Lansing and the individuals and organizations who have already donated to the Building Fund to make this dream a reality!

As we transition into our new space, we will be closing our Child Welfare program due to a reduced need in our community. We are deeply grateful to the dedicated staff who have supported children in need over the years. In place of this program, we are exploring basic needs services and are in discussions with community partners on possible options to address emerging needs in our community. Our agency remains committed to serving children and aims to continue this part of our mission through new avenues.

We are so excited to see what God has in store for us at that this new location. We welcome your prayers and support as we embark on this next step in the journey for Livingston County Catholic Charities.

SPECIAL GRANT FUNDS AT WORK

Special grant funds provide transformative support for LCCC's critical community programs every year. LCCC was exceptionally blessed to have received several impactful grants from generous funders to support each of our programs in 2023-2024.

The Special Ministries program received special grant funding from the Kronlund Foundation and Raskob Foundation for Catholic Activities. This funding allowed the team at Special Ministries to enhance and expand the programming and activities they offer for adults with disabilities in our community.

The Livingston Sunrise Rotary Foundation, Livingston County Consortium on Aging, and The Church of Jesus Christ of Latter-day Saints generously provided funding to purchase products for the annual 2023 Christmas Blessing Project that served over 300 seniors across Livingston County.

LCCC Senior Service programs were the beneficiaries of several special grants this past year. The Community Foundation of Livingston County and Robert W. & Maxine C. Parker Foundation provided operating support for the Be Our Guest program. The Catholic Foundation of Michigan specifically provided funding to support the needs and well-being of caregivers of Be Our Guest Clients. Additionally, LCCC's Community Liaison program received a large grant from the Community Foundation of Southeast Michigan to expand serves into the Whitmore Lake and Northfield township region in partnership with Washtenaw Catholic Social Services.

LCCC's Behavioral Health programs also received support for its Mental Health and Substance Abuse Counseling programs from The Pulte Family Foundation as well as the CPPS Heritage Mission Fund.

Lastly, LCCC's Substance Abuse Prevention program was selected as a 2024 Beneficiary of the Livingston County Sunrise Rotary Foundation's *Midnight in the Tropics*, which resulted in a \$25,000 grant to support LCCC's Prevention efforts geared towards youth.

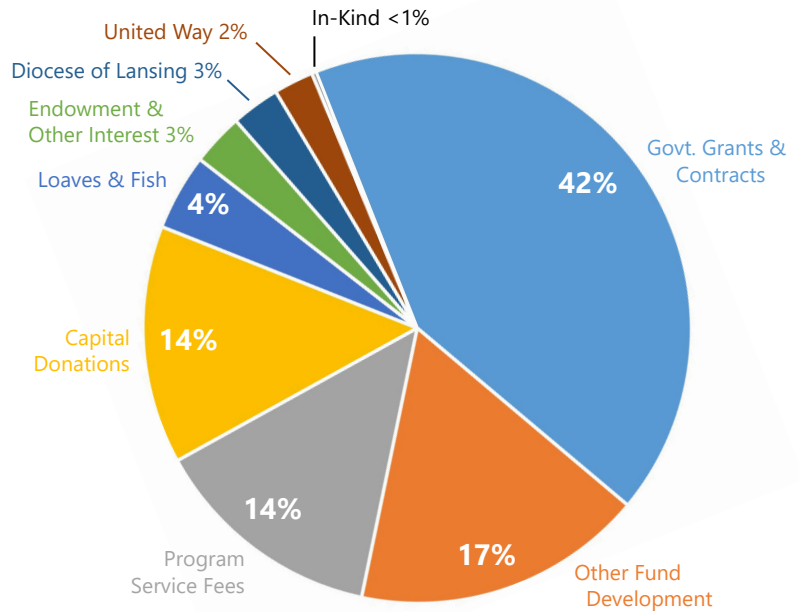

These investments make Livingston County stronger. We are fortunate to receive exceptional support from both local and national sources. Without the generosity of our donors, volunteers, and funding partners, LCCC wouldn't be able to achieve the remarkable work highlighted in this report. We ask for your continued prayers as we seek new funding to continue sustaining our programs.
