CAPITAL CAMPAIGN

A SACRED SPACE FOR HEALING AND HOPE

Join us in the Light the Way Capital Campaign! Your support will help us own our building debt-free, which will allow Livingston County Catholic Charities to invest \$8,000 more monthly directly into services. Your gift turns possibility into purpose—growing one spark into a light that lasts for generations.

EXPAND SERVICES

The demand for our programs and services has increased significantly. Our previous facility was no longer adequately meeting the growing needs of our community. Our new home provides the space necessary to continue expanding our services to help more people.

PROVIDE INTEGRATED SUPPORT

Our new facility enables us to integrate all our services under one roof. This will enhance efficiency, improve service delivery, and create a more cohesive support system for our clients.

While LCCC has a special mission to provide for the under-served, **we are here for all Livingston County residents**, including those of middle or higher-income levels. Every year we serve over 5,000 people with our array of programs.

DID YOU KNOW?

- Over 70% of the people served are not Catholic.
- 75% of the people served are low income.
- We operate the only adult day care program Livingston County.
- We are the primary provider of social services to seniors in Livingston County.
- We are the only provider in Livingston County offering counseling services on a sliding scale to the working poor in Livingston County.

Faith in Action: Lighting the Way Forward

We seek to serve Christ in all we meet and we know that we meet him in everyone who presents him or herself before us. There is Jesus Christ! How can we pass him by? How can we not bring our love and care to that person? Yet, this is not all. Because, this service to Christ in the least of his brothers and sisters is being conducted by us in the name of Jesus Christ. We become Jesus serving Jesus in others. What joy is that! Let us then step up and step out and be Christ to one another as Livingston County Catholic Charities is to those in need in our community.

Bishop Earl Boyea

This capital campaign is not about a building, it's about what goes on inside the building. By paying off the mortgage (debt) it will create opportunities to expand services and improve lives in our community. It's our opportunity to make a difference in the lives of others that need our help.
