OUR MISSION

The Mission of Livingston County Catholic Charities is the work of the Catholic Church, to share the love of Christ by performing the corporal and spiritual works of mercy.

VISION STATEMENT

Livingston County Catholic Charities aims to provide human services to Livingston County residents regardless of race, sex, religion, age, disability or financial ability.

Reflections...From Foundation to Future

Last year, we celebrated the opening of our first permanent home since our founding in 1985. This year, we have begun to truly make that home our own and, more importantly, to put it to work in service of the Livingston County community.

Our new building has provided LCCC with opportunities that extend far beyond having a place to operate. It has given us space to welcome clients with greater dignity, expand our Adult Day programming, provide a peaceful setting for counseling and supportive services, and create new opportunities for community partners to gather and collaborate. Our chapel and the saints' series throughout the building continue to serve as visible reminders of our Catholic identity and our call to serve every person with dignity, compassion, and love.

This year has also been a year of planning for what comes next. With our new home established, we have been able to look more intentionally at the needs of Livingston County and ask an important question: Where can Catholic Charities make the greatest difference?

Housing and services for older adults have emerged as important areas of opportunity. We have begun exploring how LCCC can expand our senior service programming and how we might contribute to housing-related services and community solutions. These efforts are still developing, but our goal is clear: to listen to our community, understand where the greatest needs exist, and build programs that are both meaningful and sustainable.

We have also continued our commitment to strengthening the quality, effectiveness, and long-term sustainability of the services we provide. This year, LCCC completed the CARF (Commission on Accreditation of Rehabilitation Facilities) accreditation process and was awarded three-year accreditation (the longest accreditation period available). This achievement reflects the dedication and professionalism of our staff and our commitment to providing high-quality, person-centered services to those we serve. The accreditation process gave us an important opportunity to evaluate our programs, strengthen our systems, and identify areas for continued growth. Building on this accomplishment, we also launched our 2026–2029 Strategic Plan, providing a roadmap for the next three years. The plan focuses on expanding programs, diversifying funding, increasing community awareness, developing new

strategic use of our building and property, strengthening behavioral health services, and deepening our relationships with volunteers and community partners. Together, these efforts enable LCCC to build upon the strong foundation we have established and thoughtfully expand our impact throughout Livingston County.

Perhaps, most significantly, 2026 marks the launch of LCCC's first-ever capital campaign. The campaign will help ensure that our new home is not simply a building we occupy, but a lasting investment in the future of Catholic Charities and the people we serve. We are incredibly grateful to the Diocese of Lansing, our Board of Directors, donors, volunteers, staff, and community partners who have helped bring us to this point. Their belief in this mission has made our progress possible.

As we look ahead, we know that the needs of our community will continue to change. Our responsibility is to remain attentive, flexible, and faithful to our mission. We cannot predict every challenge Livingston County will face in the years ahead, but we can commit to being ready to respond.

Our new building has given us a foundation. Our strategic plan gives us direction. And the generosity and partnership of our community give us the opportunity to continue growing.

We are excited about where LCCC is going and we invite you to be part of the journey.

Thank you for believing in the mission of Livingston County Catholic Charities and for helping us serve our neighbors through the Corporal and Spiritual Works of Mercy. We pray that the years ahead will allow us to reach more people, develop new solutions, and continue building a stronger, more compassionate community for everyone who calls Livingston County home.

With gratitude and hope,

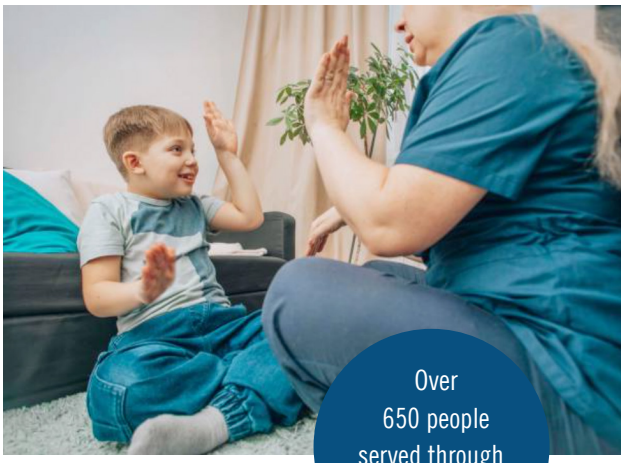

Michael Sage

SPECIAL GRANT FUNDS AT WORK

Investing in Our Mission. Strengthening Our Community

LCCC is deeply grateful for the generous support of our grant partners throughout the 2025–2026 year. These investments from local, regional, and national organizations help sustain essential services, expand access to care, and strengthen programs that bring hope and compassion to individuals and families throughout Livingston County.

Our **Senior Services Department** received tremendous support from organizations committed to helping older adults remain safe, independent, and connected. Livingston County 100 Women Who Care awarded $10,475 for our Senior Community Liaison program, while the Mary Thompson Foundation contributed $2,500 to our Volunteer Caregiver program. Our Be Our Guest Adult Day program also received generous grants from the Livingston County Consortium on Aging ($1,000), Pulte Foundation ($40,000), and The Parker Foundation ($15,000).

We are especially grateful to **AgeWays Nonprofit Senior Services**, whose $377,643 investment supported six essential senior programs, including Adult Day Services, Chore, Community Liaison, Home Injury Control, Elder Abuse Prevention, and Volunteer Caregiver services.

Livingston County United Way provided $97,200 in funding across seven programs, supporting Senior Services, Mental Health and Substance Use Disorder Counseling, Drug-Free Communities, and Special Ministries. This broad investment strengthens LCCC's ability to serve individuals of all ages and abilities.

Our **Behavioral Health Services** also benefited from a $10,000 grant from the Livingston County Community Foundation and a $40,000 two-year grant from Blue Cross Blue Shield of Michigan, helping sustain access to compassionate counseling and substance use disorder treatment.

During the holiday season, a generous **$20,000 grant from the Diocese of Lansing** helped make our Christmas Blessings project possible, providing essential food, personal care, and household necessities to low-income and homebound seniors.

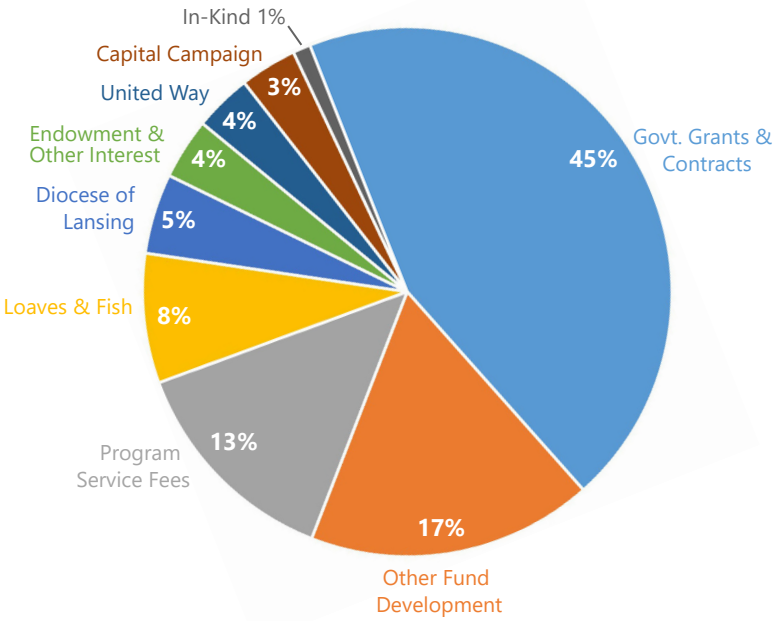

Every grant represents more than financial support. It reflects a shared commitment to strengthening families, caring for our neighbors, and building a healthier, more connected community. To our grant partners, thank you for believing in our mission and helping us put compassion into action.
